GLOBAL FUEL SUPPLIES PTY LTD

ACN: 643 434 431

Commodity Trading Professionals

With over 25 years' experience in oil trading and other commodities, Global Fuel Supplies has high level expertise coupled with a worldwide network.

We have associations with refineries and professional oil trading companies worldwide.

Products we trade in include JP54, D6, Jet A1 and EN590.

Australian-Incorporated Company

Global Fuel Supplies is an Australian Company. We are international traders of petroleum products.

We review strategies with our clients to provide the best quality and supply solutions. We perform due diligence on sellers and buyer alike.

Chairman Chris G. Walters has more than 25 years experience in the oil industry in Australia and Globally.

The company employs a number of commodity trading and analyst professionals and works with brokers worldwide.
