Commodity Trading Professionals

With over 18 years' experience in oil trading and other commodities, Global Oil Traders has high level expertise coupled with a worldwide network.

We have associations with refineries and professional oil trading companies worldwide.

Products we trade in include JP54, D6, D2, Mazut and BLCO

Australian-Incorporated Company

Global Oil Traders is an Australian Company, with offices on the Gold Coast, in Sydney and Hong Kong.

We are international traders of petroleum products including Diesel Gasoil, Jet fuel and Mazut. We review strategies with our clients to provide the best quality and supply solutions.

We perform due diligence on sellers and buyer alike. Chairman Chris Walters has more than 18 years experience in the oil industry in Australia and Globally.

The company employs a number of commodity trading and analyst professionals and works with brokers worldwide.
